# Dedication

As our seventh Pioneer school year draws to a close, the Annual Staff, on behalf of the Pioneer High School student body, wishes to dedicate the 1966 TORCH to a man who has been an integral part of Pioneer since its beginning. There are few school traditions, regulations, or activities that have not in some manner been influenced, guided or directed by his enthusiasm, patience and sincere interest.

He was born in Alameda, California, but spent most of his early life in Stockton where he graduated from College of the Pacific. His main interest as a young man was baseball and he worked out with several major league teams. He later played professional baseball in the California League for two seasons. He taught high school in Linden, California for two years and served for two years as a lieutenant in the Medical Reserve Corps.

In 1955 he came to Whittier and taught history and English, and coached basketball and baseball at Whittier High. He spent two years teaching at Sierra High and transferred to Pioneer when it opened in 1959. Since that time he has played a vital role in making Pioneer the outstanding school that it is today.

He now lives in Whittier with his wife, Helen, and their children, Lee Ann aged ten, Charles aged eight, and Mark aged four and a half.

It is with deep appreciation and admiration that we respectfully dedicate the 1966 TORCH to Pioneer's Assistant Principal, Business and Activities,

A big boost to Pioneer pep this year were our lively yell leaders. These spirited pepsters, led by Teri Quiroz, added plenty of enthusiasm to all games, pep rallies and assemblies. Tons of effort and a boundless amount of energy were the best ingredients used by the yell leaders to lead their team on to victory.

Influencing our team and spurring them on to victory were the pretty Titan songleaders. Headed by Joyce Jackson, these girls performed dance routines at rallies, assemblies, and games. One project taken on by both song and yell leaders to show they were behind their team was collecting money to buy apples for the football players after the games.

This year's flagsters started a new tradition. They twirled two flags, instead of the usual one. Below is a picture of the flagsters during the alma mater at the La Mirada game.

A small but very vital group of pepsters on campus are the Titan majorettes. With Barbara Schneider as their leader, these girls are kept very busy performing at games and marching in parades. At the football games the twirlers participated in halftime shows. They performed baton routines strikingly in front of the crowd. The majorettes are judged at parades either with the band or alone as a unit. This year as well as last, Barbara Schneider took home a first and second place trophy in solo competition at the Hawthorne parade.

# Titan Mascots Brighten School Spirit

This year at Pioneer a new tradition was started. Titan Mascots! In previous years the mascot has only been a symbol; however, the Cabinet felt that students portraying the traditional Titan warrior and appearing at football games and pep rallies would help to boost Pi Hi spirit and pep. Pioneer's marching band this year had an exciting and busy schedule. They performed at many parades including the West Arcadia and Hawthorne Band Reviews. At the El Monte parade the band received a second place. During the football season the band entertained at halftime as well as supplying music throughout the game. A special halftime show which was filmed and entered in a contest sponsored by Disneyland was "Mary Poppins." This delightful show climaxed the halftime shows for the season.

Another activity the band attended was the UCLA Band Day. This is the third year now that Pioneer has been invited to perform along with other high schools at a UCLA football game.

Adding the music for the basketball games was the Pep Band which helped the pepsters in creating enthusiasm.

Janet Baker

Janet has been very active on drill team, as a flagster, and on council, in her four years at Pioneer.

Teree Stemmler

Spirited is the word for Teree, who was a yell leader in her junior year and has been active in pep club and photo club.

# 1965 Homecoming Court

Mimi Trimble

Chosen as an Honor Guard by the Senior class last year, Mimi supports Titan activities, games and dances.

Kathy Steimer

Kathy has been active on drill team, as head flagster, and as a class officer, while at Pioneer. She was also chosen as an Honor Guard.

Tanya Nazaroff

Tanya is an enthusiastic supporter of all Titan games, dances, and activities. She was chosen as an honor guard by last year's Senior class.

A popular activity after football and basketball games is the after-game dance, supported by many active Titans. Popular bands like the "Sheratons" and the "Exiles" helped in making these dances successful. Again this year the "Fling" was held, in which swimming, dancing, folk music and games as well as pizza made up the schedule of events for the evening. Sue Moriarty, Pioneer's Activities Chairman, is in charge of the after-game dances this year.

# Variety Is Keynote of Titan Assemblies

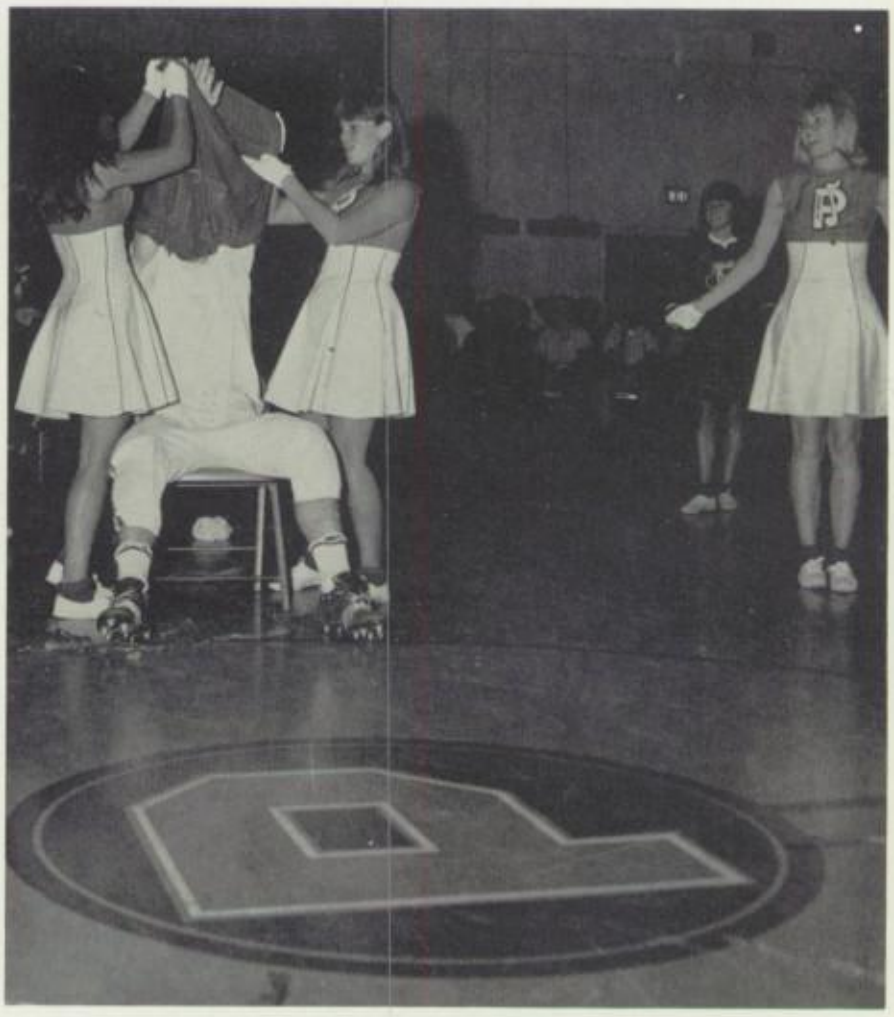
At left: Cultural assemblies were introduced this year as a new type of entertainment for the students. Seen here is Bill Burbon who brought his troupe of dancers to Pioneer for an enjoyable hour of Mexican folk songs and dances.

Center left: During the Oriental assembly, two volunteers, Andy Solis and Reuben Fuentes attempted a few of the intricate steps demonstrated by the Oriental dancers.

Bottom right: One highlight in our cultural assemblies this year was an ancient Aztec dance done by Florencio Yescas who performed with a magnificent headpiece made of feathers. Students from Los Nietos Jr. High were invited to attend this special assembly.

Below: Bertram Shurtleff demonstrates one of the benefits of "keeping fit" at the "Wrestling Revelations Assembly." Mr. Shurtleff asked two of the huskiest boys on campus, Ken Weibe and Ed Thomas, to stand on his mid section in an effort to emphasize muscular control. Assisting are Gary Smith, left; Chris Thirtkettle, right. Mr. Shurtleff proudly proclaims his age at 68.

Bottom left: During one of our pep assemblies, Titan songleaders, Becky Ruiz, Jan Stirling, and Susie Neet, perform an amusing skit in which they attempt to show what the well dressed football player wears. The "well dressed" player for this demonstration was Al Corliss.



# Titanette

The theme of this year's Titanette Review was "1965." The various groups presented dances symbolic of events that took place during the year 1965. The money received in profit from the Review was donated toward a scholarship given by the Girls' League. There were two awards given, one for ticket-selling competition and one for sportsmanship. Prizes were won by the Chimney Sweeps and Las Senoritas, respectively.

Part of the thrill of going to the Prom is shopping for a formal. Sheri Stone and Susie Neet are at Barbara Dee's admiring dresses.

Mary Clayton and Roice Basset take time out from dancing for refreshments.

The 1966 Junior Senior Prom was given the theme of "Moonlight in May." The Juniors dedicated the Prom to the Seniors. All Seniors are admitted free according to custom. The dance centered around a "Central Park" theme with musical entertainment provided by the "Men of Note."

Those who are responsible for the success of this year's Prom are the members of the Junior class council. Many long hours of planning and decorating made the Prom an outstanding event of the year.

# Harlem Clowns Battle Pioneer Faculty to Aid Scholarship Fund

Each year the faculty members at Pioneer go fearlessly into battle against the Internationally famous Harlem Clowns. This is all done in the spirit of fun and hilarity to help increase the Pioneer Teachers Club scholarship fund for needy college-bound seniors.

A screen was used to project the number of votes each candidate received. Right: Members of the Cabinet, Sophomore Honor Society, and the House and Senate were the convention workers.

# 1966 Convention

Pioneer had its first ASB convention, held April 18, 1966, which imitated that of major political party conventions. The convention began at 8:30 a.m. with the delegates seated, and head delegates submitting the roll to headquarters. Gary Smith presided as convention chairman while other members of the cabinet assisted. After the "Star Spangled Banner," Pledge of Allegiance, and opening ceremonies the keynote speaker was introduced. Then the convention really got into the swing of things. Students participated in demonstrations, nominations, and voting for candidates. The delegates to the convention selected, in most cases, the two strongest candidates to run in the general election. They set up a strong slate of candidates which provided for a more spirited election.

Dean Stockwell's '57 Volkswagen, upper left, and Cathie Wolfe's '65 Dodge Dart, lower right, were among the four winners of the 5th Annual Boys' League Car Show held April 27.

Mike Cabral captured honors in the custom class in addition to being presented with the Car of the Year award for his 1965 Ford Galaxie. Tony Ferraro's '31 Model A Ford Roadster, took a first in the stock class.

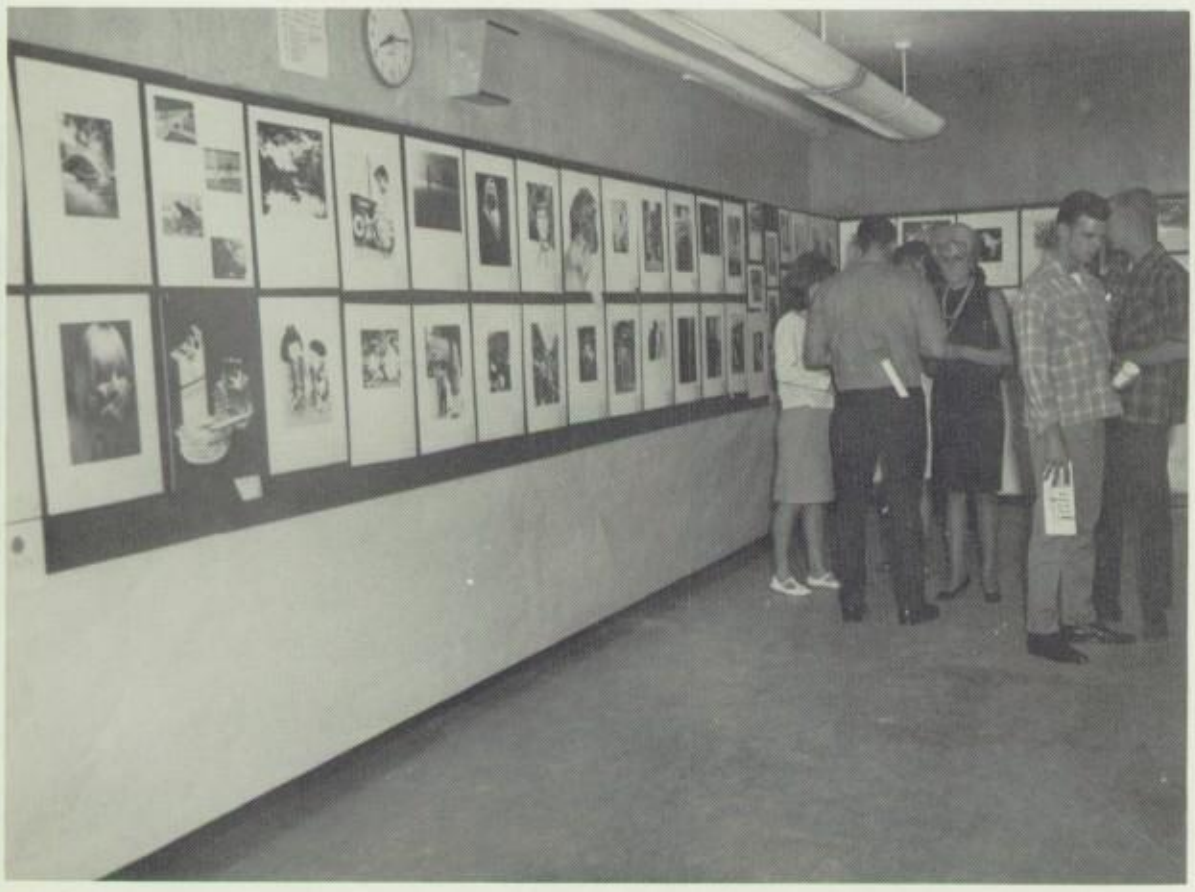
All entries had to be owned by the Pioneer student or by a member of his family. Each entry was judged by experts in the automobile field on the excellence of the engine, exterior and interior.

# Fine Arts Festival

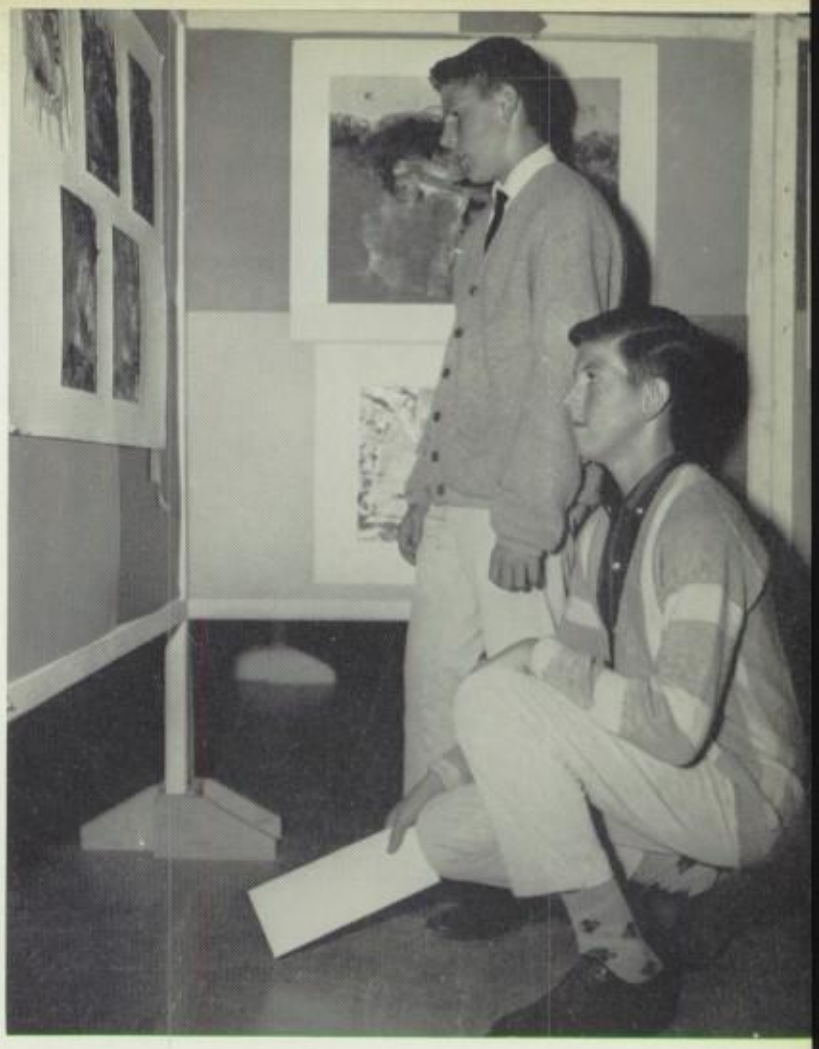
The seventh annual Fine Arts Festival this year was the most ambitious project ever undertaken by the Pioneer Fine Arts department. It combined the talents of the photography and art departments, the vocal and instrumental music departments, the drama department, and the industrial arts department. The Festival ran for four days and nights with the photography, industrial art and art exhibits on display throughout the four days and in the evening. These three events were judged and awards were given in each of the three fields for the most outstanding student work.

A different program each evening was offered by the music and drama departments. The dramatic play "Dark of the Moon" was performed by the drama department and the Titan orchestra, wind ensemble, and band performed on alternate nights as did the Pioneer choral groups.

One admission price covered all of the events. Those who attended relate that it was a most successful and rewarding experience.



The student exhibit was attended by the largest crowd of its kind at any previous event of a similar nature.



Steve Solum and Cameron Ford, above, admire the artistic efforts of fellow students.

# International Club Promotes Understanding Among Nations

The International Club is one of the leaders around campus with activities. Along with field trips they have had the annual Harlem Clowns Basketball game. We thank the International Club because if it weren't for their hard work we would not have a foreign exchange student. Their projects go to pay the expenses of our exchange students. This organization also helps sponsor many foreign assemblies throughout the year. These assemblies help enrich student's understanding of the songs, dances, and customs of our foreign neighbors. # Student Government

Gary Smith
A.S.B. President

# ASB Cabinet

It was my pleasure this year to serve as A.S.B. President of Pioneer High School, and to preside over the cabinet for 1965-66. I'm sure the cabinet joins with me in congratulating the whole student body on a fine year.

Pioneer Titans came through with awards in phases of school life, both athletic, scholastic, and social, and was represented well in the community.

I challenge all of you to carry on and add to the traditions and customs established at Pioneer. A school is only as good as its students and Pioneer deserves nothing but the best.

Jerry Herbert, A.S.B. President 1962-63, stated a motto which I hope still holds true for all Titans: "I became a part of Pioneer and she became a part of me."

Good luck to all of you in the coming years.

Gary Smith
A.S.B. President
1965-66

Dale Thomsen
Vice President

Under the guidance of our A.S.B. Vice President, Dale Thomsen, the Senate has had a very productive year. One of the many things they accomplished this year was a revision of our constitution. Dale plans to go on to Long Beach State or U.C.L.A. and major in engineering.

# Coordinates Campus Activities

LINDA VON POST, SECRETARY

The difficult job of recording accurate notes of all cabinet meetings was met by Linda Von Post. Linda handled this difficult position throughout the year and did a tremendous job.

Linda plans to attend the University of Redlands and major in elementary education.

This year's Treasurer, Ed Robbins, kept an accurate accounting of Pioneer's funds. According to Mr. Haines, Ed's tight reign on student body funds has kept us out of the red for the school year 1965-66.

Ed plans to attend Whittier, College or U.C.L.A. and major in Political Science.

ED ROBBINS, TREASURER

Sue Gormely had the important task of seeing to it that Pioneer's events were always in the news. She could often be seen in AD 101-C typing away at an article for her press releases.

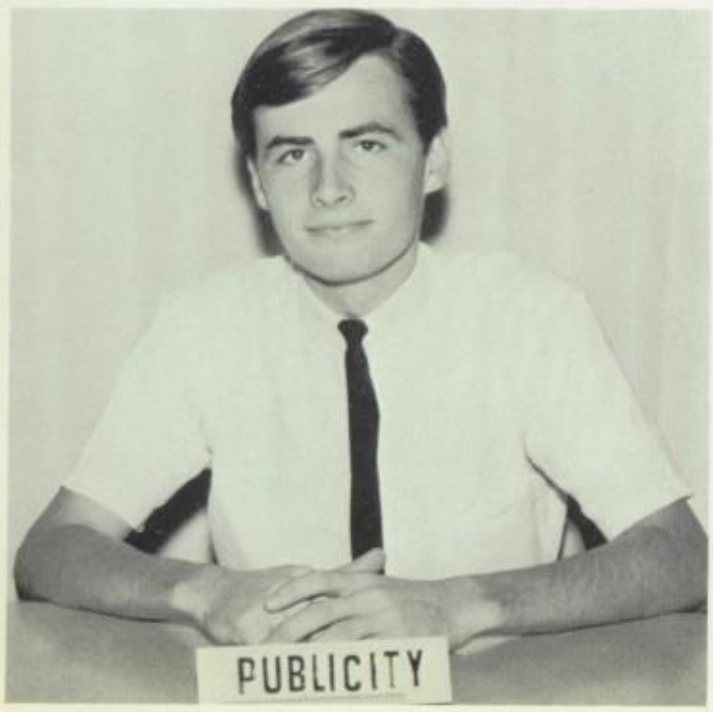
Going to college is Sue's first hope after graduation and then later she plans to get married and maybe be a teacher.

SUE GORMELY, PUBLIC RELATIONS

Publicizing Pioneer's activities throughout the campus was sometimes a trial for Bill Jones, Publicity Chairman. He did a fine job and the Titans were well informed throughout the entire year.

Bill's plans after leaving Pioneer are to attend Rio Hondo Jr. College and then go to a four-year college.

BILL JONES, PUBLICITY



Coordinating assemblies that will be both interesting and informative is a difficult job to carry out. The consensus of Titans is that Deirdree McDermott provided us with an unforgettable year of entertainment and enlightenment.

Dierdree hopes to attend U.C.L.A. and major in theater arts.

DIERDRE McDERMOTT, ASSEMBLIES

SUE MORIARITY, Activities Chairman

As Activities Chairman it was Sue's job to see that Titans didn't spend the entire year in academic pursuits. It was her responsibility to see that they had fun and entertainment also. Sue was on the job every weekend that there was an activity. After graduation Sue plans to attend Rio Hondo Junior College.

HARRY YESSIAN, Speaker of the House

Harry has done an exceptional job this year according to Mr. Haines, Cabinet Advisor. He sat at the head of one of the largest governing bodies on campus. Harry was a member of the Cabinet and also led all of the House meetings. Harry plans to attend college after graduation.

JOYCE JACKSON, Head Song Leader

Joyce led the Titans in spirited songfests that helped engender the spirit of victory for our teams. She filled her positions with much enthusiasm and energy and will long be remembered as one of Pioneer's brightest Song Leaders.

# Pioneer Cabinet

Promoting pep and spirit is the job held by Terri Quiroz, lower left, Pioneer's Head Yell Leader. She led the Titans through a year of sore throats, school spirit, and fun. After graduation Terri plans to go to Rio Hondo Junior College and then on to a four year college.

BONNIE BROWN, Pep Chairman

Bonnie's fellow Cabinet members avow that she did an outstanding job in leading the Pep Club activities this year. Her capable organizational talents were clearly evident at all the games and pep rallies. Bonnie plans a career in education and will attend Whittier College.

TERRI QUIROZ, Head Yell Leader

Alice Bonser
Girl's League President

This year Alice Bonser had the responsibility of setting the example for the girls of Pioneer. She was a member of the cabinet and also of girl's council. The girls of Pioneer will agree that she has handled these responsibilities in a fashion which is a tribute to her and to the school.

Left to right: Beth Wilkinson, Secretary; Cathie Christie, Second Vice President; Alice Bonser, President; Marsha Gilpin, First Vice President; Sandy Castro, Treasurer.

# Boys' & Girls' Leagues Form Vital Part of Campus Life

The Girl's and Boy's League Cabinets are very important governing bodies on campus. The membership is made up of all of the students that go to Pioneer. During the year they have different activities and fund raising projects.

One of the biggest events of the year which is sponsored by the Girl's League is the Girl's League Dance. This is a "turnabout" dance where the girl invites the boy and takes him to dinner and then the dance.

The main event of the year for the Boy's League is the Boy's League Car Show. This is held in the spring and trophies are given for the winners in the various categories.

Bob Wilson
Boy's League President

Bob Wilson, as this year's Boy's League President, was a prominent member of the student body of Pioneer. He was a member of the cabinet and also president of the Boy's League Council. It was Bob's responsibility to organize the various activities sponsored by boy's league during the year.

Left to right: George Sheridan, Recorder; Dale Thompson, Vice President; Bob Wilson, President; Tim McMullen, Treasurer.

Left to right, seated: Diane Gomez, Mary Clayton, Beth Wilkinson, Jeanne Sousa, Barbara Millett, Bonnie Brown, Lindy Wallace, Cathie Christie, Alice Bonser. Standing: Sara Lundin, Marsha Gilpin, Sandy Castro, JoAnn Mendoza.

# Girls' and Boys' Leagues Serve Faculty and Student Body

Girls' Council, under the leadership of Lindy Wallace, has done a fine job of acting as liaison for the girls of Pioneer and the Councilors. They set up the dress standards for the girls and see that they are carried out.

Bob Wilson has headed the Boys' Council in a very successful year. The council has spent many hours counciling the boys with regards to their conduct and grooming. The council this year sponsored the car show which gives the students of Pioneer a chance to enter their cars for competition.

Left to right, seated: Mike Westbrook, George Sheridan, Bob Warren, Nate Rodriguez, Chris Peters, Nelson Miller, Larry Trotter, Charlie Brown, Lance Carlson. Standing: Brad Wold, Larry Lemay, Mike Del Muro, Jerry Pugh, Bill Shiller, Dale Putman, Gary Smith, Charlie Del Muro, Mike Holmes.

Left to right: Sal Fasome, Janet Weaver, Marsha Grossberg, Nancy Stoughten, Eddie Tweed, Teree Stemler, Harry Yessian, Al Corliss, Mike Westbrook, Keith Ungles, Lois Downs, Bechy Eddy, Jerry Juarez.

Members of the Senate are chosen by class elections. The Senate acts on proposals presented by other student governing bodies, such as the House, Forums, and Class Councils. The Senate carries out duties given it by the A.S.B. Cabinet. It approves all club charters and constitutions, and provides a link between the clubs and the Cabinet.

# House & Senate Shape Student Gov't

The Pioneer High School House of Representatives is made up of a group of students who represent the entire student body. Chosen by class election, they represent and support their class mates. Ideas or proposals are brought before the House where they are voted on and then passed on to the Senate. Each representative keeps his or her classmates informed of the various measures adopted or rejected. One of the biggest responsibilities during the year is organization of student body elections.

Left to right: Christina Rodriquez, Alan Westbrook, Debbie Brewer, Ronnie Core, Michelle Dong, Dale Thompen, Robert McLean, Jo Ann Mendoza, Jo Ann Thirkettle, Nelson Miller, Rubie Chavez.

Judy Richardson
Editor-in-Chief

This year's TORCH editor, Judy Richardson, kept a watchful eye over the staff to keep all annual work going steadily. The section for which the editor is traditionally responsible is student government. She also takes care of any unexpected problems that arise throughout the year. We owe our thanks to Judy for her diligent work to make our '66 TORCH a great success.

Paulette Leu
Associate Editor

As Associate Editor Paulette's main duty is to put together the senior section of the annual. She also assists the Editor in seeing that all other sections are running smoothly. Paulette did a commendable job this year and was an asset to the staff.

Left to right: Vince Davis, Sports Ed.; Barbara Schneider, Pep and Activities Ed.; Cathy Wolfe, Clubs and Classes Ed.; Lindy Wallace, Business Manager; Beth Wilkinson, Faculty and Administration Ed.; and Paul Adams, Art Editor.

# Torch Staff Works Tirelessly to Record Events and Activities of School Year

Mrs. Jane Thompson
Advisor

Mrs. Thompson gave up many hours of her time this year to see that the Annual was running smoothly. Every member of the staff knew that if they ran into a problem they could count on her.

Ryan Reinhold, Editor-in-Chief

As Editor of the Tribune Ryan Reinhold had a hectic but rewarding year. There were many deadlines to be met and many problems to solve, but the paper was always ready on schedule. The Titans appreciated being kept informed of all the campus news.

Sandy Castleman, Associate Editor

Assisting the Editor this year was Sandy Castleman who did an outstanding job. Her column "Sandcastles" could be read in every issue of the Tribune. It is unusual for a sophomore to hold such a responsible office.

Final careful consideration of award winners is made by a Personnel Committee in the Guidance Office.

The Bank of America presents certificate awards in specific fields. These fields are Social Studies, English, Foreign Language, Math, Science, Home Economics, Music, Art, Business Education, and Industrial Arts. # Local Chapter of DAR Honors PiHi Girls

The D.A.R. Award is given by the local chapter of the Daughters of the American Revolution to those girls who fulfill the following qualifications: dependability, service, cooperation, leadership, and patriotism. All the girls at Pioneer are given an opportunity to vote for the girls they feel are qualified. They are chosen in a sense, as the "Good Citizens" of Pioneer.

California Girls' and Boys' State is a part of a great national youth-in-government program which is sponsored annually by the American Legion. It is a "learn by doing" introduction to the workings of California state, county and city government. City, county, and state governments were studied and then put into practice.

It is an honor to participate as a representative of Pioneer High School in such a vital and effective program. The girl and boy who goes to Girls' and Boys' State are very fortunate, because they are able to learn the complex structure and workings of our great government.

# Senior Class Officers Proud of Precedent Setting Year

This year, without a doubt has been one of the most interesting and memorable experiences I have ever undertaken.

The Class of 1966 has shown what kind of students they are through the activities, their personal actions, thoughts and feelings, and they can be classified as an excellent group of young men and women.

Through meticulous work and hard planning, we have succeeded in establishing new traditions, and have set new precedents throughout the year.

We leave four years of hard work, and we are taking with us four years of knowledge, pride and wonderful memories.

# Shino Nabeta, AFS Exchange Student Expresses Gratitude for Titan Friendship

I'll never forget in my whole life the wonderful year in this great country, the United States.

When I first arrived in Whittier, I was really scared because I did not have good English, but with the first kind words and friendly smile of my family and friends, I calmed down; and I was sure that it was a very nice place with wonderful and friendly people.

As I was learning the language, I was lucky to be in a family with patience and understanding. At the beginning it was hard to communicate with them, but necessity forced me to learn this language.

Shino in her native costume.

When school started and I came to Pioneer, I knew that it was going to be an unforgettable year. With a warm and kindly welcome, you made me feel like I was in my home school. The first few weeks in class I passed a very hard time, because I didn't understand at all what the teachers were talking about, but with their patience, they helped me a lot.

It is hard to say good-bye to Pioneer's teachers and students. I have had so much fun and so many nice experiences that I'll be forever grateful to you Titans and to the American Field Service for giving me this unforgettable and wonderful opportunity that I'll never forget.

To all the Pioneer Titans good luck and happiness, and to the Titanette Drill team, thank you for giving me this wonderful experience, I wish you all kinds of good luck and victories in all the parades next year and all the coming years.

Thank you Titans. You may be sure you are going to be in my memories as a beautiful dream that is hard to forget. If one of you someday in the future comes to Peru, you are going to be very welcome in my home.

Thank you again and may God Bless to all of you.

Love, from your Peruvian friend,

Shino Nabeta

# Marsha Gilpin Adopted by an Austrian Family With Aid of AFS

When I learned last spring that I had been adopted by an Austrian family, it was one of the happiest and most exciting moments of my life. Now, almost a year later, I can honestly say that I am just as excited about the American Field Service program as I was at that time.

It would be needless to say that I will never forget my Austrian summer. The customs, the wonderful friendliness of the Austrian people, and especially the love and understanding my adopted family gave me have all become a part of me. These things are impossible to forget.

But, I also learned a great deal about the United States. Meeting students from all over the United States was a wonderful opportunity to broaden my understanding of our problems as a nation. Toward the end of the summer, I began to look at the United States through the eyes of my family, and was sometimes quite surprised at the things I saw for the first time.

The A.F.S. program can be only as great as the people behind it. All too often we forget the many people who work very hard to enable the program to grow. I wish to thank the Pioneer chapter of the American Field Service, the International Club members, and all the other people who made my trip possible.

The American Field Service goal of world friendship is a long, uphill struggle, but every journey begins with a first step. It is only with your continued support that this first step can be taken.

SEPTEMBER 15, 1948

MARCH 21, 1966

FROM THE GRADUATING CLASS OF 1966

Shall I doubt my Father's mercy?
Shall I think of death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?

Shall I blame my Father's wisdom?
Shall I sit enswathed in gloom,
When I know my loved one's happy,
Waiting in the other room?

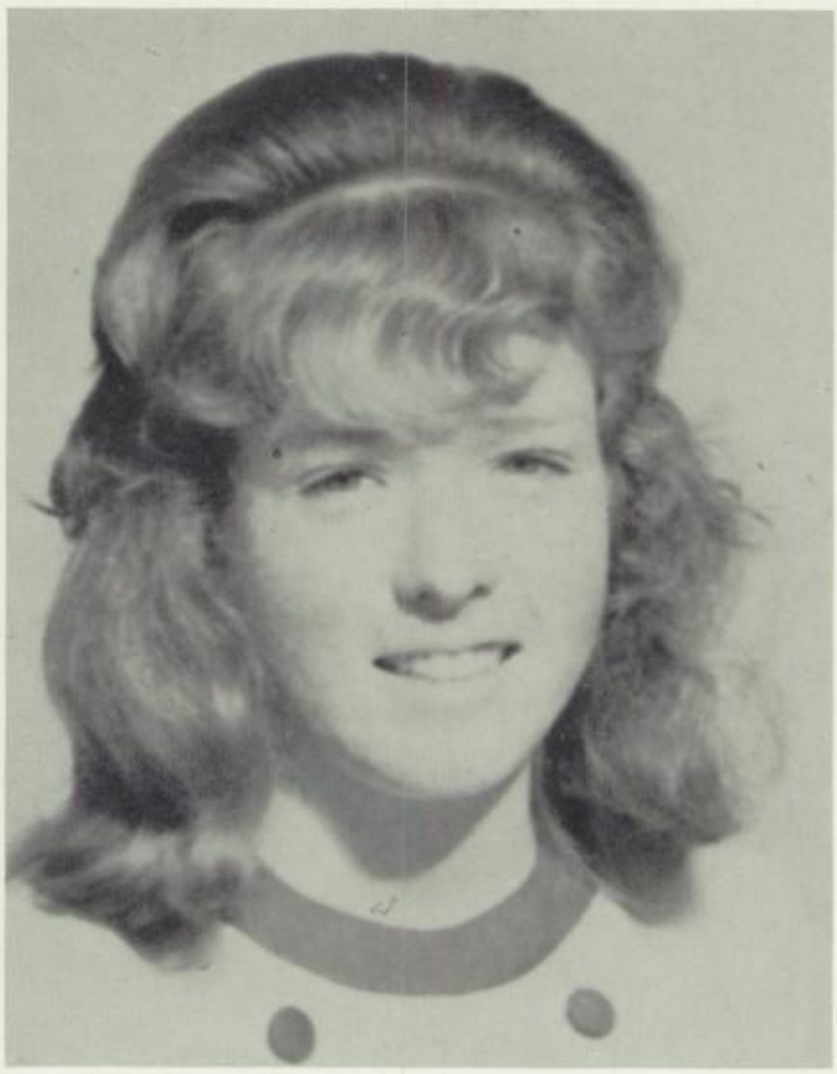
Richard Dent



Peggy Dent

Pioneer Annual Staff dedicate this page of the 1966 TORCH to the Dent family.

Peggy Dent, class of '68, and Richard Dent, class of '67, lost their lives in a tragic plane crash on August 8, 1965. Their mother, Rebecca Dent, a former cafeteria employee at Pioneer and father, James, perished also. Their loss is greatly felt among the faculty and student body of Pioneer High.

Oh, I have slipped the surly bonds of earth,
And danced the skies on laughter-silvered wings;
Sunward I've climbed and joined the tumbling mirth
Of sun-split clouds — and done a hundred things
You have not dreamed of — wheeled and soared and swung
High in the sunlit silence. Hov'ring there
I've chased the shouting wind along and flung
My eager craft through footless halls of air.
Up, up the long delirious burning blue
I've topped the wind-swept heights with easy grace,
Where never lark, or even eagle flew;
And while with silent, lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand, and touched the face of God.

# Sophomore Class Council Helps Generate School Spirit

The Sophomore Class Council holds weekly meetings under the direction of he Sophomore class officers and the class advisors, Mrs. Grant and Mr. Hillson. They sponsor many fund-raising activities during the school year to help raise money to sponsor the Junior-Senior Prom in 1967, and also to amass enough money for their Senior class gift in 1968.

A few of the more successful activities this year are the bottle drive, several car washes, and battle ribbon sales. They also introduced Sophomore color day which was observed frequently throughout the year. On color day, all Sophomores are supposed to wear their class color, red. This helps generate class spirit as well as school spirit in general.

# Varsity Water Polo Team Tries but Misses

The varsity waterpolo team turned in a terrific season this year but due to a few bad breaks they didn't capture the league title they had hoped for. Captain Dale Thompsen made the All-Star team for the Suburban League.

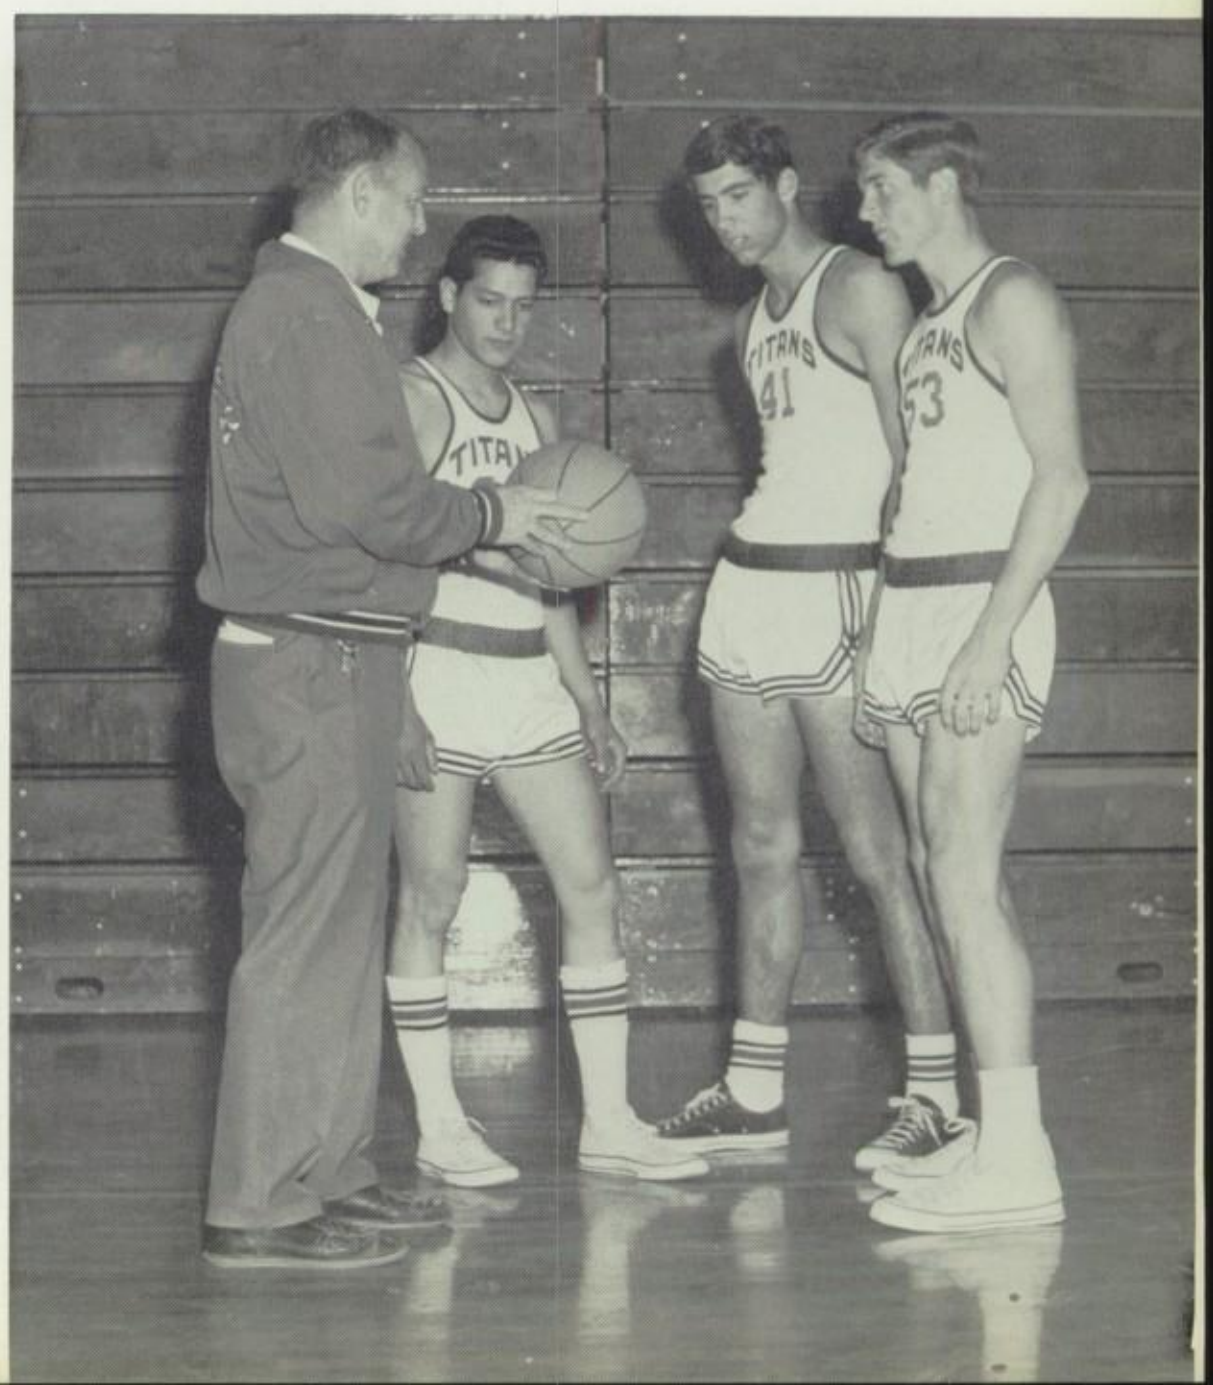
# Varsity Basketball Has Record Season

**Right: Pioneer was fortunate this year in having three of their team members make the all suburban league team. Shown above with Coach Horn are from left: Augie Avila, Skip Kennady, and Leonard Scoval.**



Pioneer's 1965-1966 Titan basketball team set many marks for future teams to strive. In winning 20 and losing 5, practically every major team and individual record was broken. The Titans played an aggressive, pressing defense, rebounded very well, and had a hard driving, quick kicking offense that averaged 70 points to their opponent's 56. This team was our first C.I.F. entry, first to be rated in the top ten in the polls, and the first to win a major tourney — the La Habra Invitational. Two losses were in league play to Sierra, the C.I.F. champ. Two losses were to Crescenta Valley, one of the final four, in the play-offs. The other loss was to Cal. Hi. after two previous wins. Cal. Hi. was the only team to beat Sierra. Three Titans made All League. Augie Avila, for the second time, Skip Kennady, and Len Scovel. Augie received additional honors by being the first Titan on the C.I.F. team. This trio along with Ray Lepicier, Ron Luna, Al Pena, and Walt Walters were the Titans' mainstays. They were ably backed up by Roice Basset, Al Corliss, Oscar Lopez and Mark Harriman.

This year's Varsity and Junior Varsity squad, though handicapped by a lack of members, did turn out four teammates with an undefeated league record. They are, Willie Garcia and captains, Dan Sanchez, Bob Mora, and Mike Samuelson. At the Cerritos Tournament, Mike Jenkins took a fourth while Willie Garcia carried home the first place trophy. The team will lose through graduation four of its members, Vince Davis, Dan Sanchez, Bob Mora, and Mike Samuelson. About one third of the squad was related in that there were three sets of brothers, Vince and Will Davis, Mike and Mark Jenkins, and Mark and John Kropp.

# School Administrators and Smoothly

We Titans owe a debt of gratitude to the Administrators of the Whittier High School District. These men have spent many long and tedious hours keeping our High Schools running so smoothly. It is their duty to make the important decisions and to set the high standards of education that helps us, as students, to keep pace with our needs. Though we seldom come in contact with these men, we owe them our thanks for their sincere efforts to make our school the very best possible.

# Board Members Keep Schools Functioning

The members of the Board of Trustees give freely of their time to make our education a worthwhile one. It is their duty to set policies of learning that we follow. They are elected by the taxpayers and do not receive a salary for their work. Their only compensation is the satisfaction of knowing they have had a part in educating today's youth. We are very grateful for their dedicated and capable help.

# Pioneer's Principal Expresses Continuing Pride in School's Achievements

Our 1966 TORCH contains a pictorial record of many accomplishments, failure, pleasures and sorrows of this school year. As the 1965-66 school year comes to a close, each of us rather symbolically reaps the harvest of soil tilled as the hours and days ticked by.

I am pleased to share with all Titans, genuine pride in the successes of Pioneer throughout the past 10 school months.

The school events, club projects and class activities recorded within these pages may well serve to reveal a message from the lines of an Edwin Markham poem,

"There is a destiny that makes us brothers,
None goes his way alone,
All that we send into the lives of others,
Comes back into our own."

Sincerely yours,

Jack E. Jines

# Assistant Principals Coordinate Curriculum, Guidance, and Business and Activities

Pioneer has grown and progressed greatly during the past school year, and much of the credit for this progress can be given to the administrators, who did the behind-the-scenes work necessary for a successful school. These people must solve the hundreds of little problems that arise each day, as well as the major jobs of planning programs, advising teachers, and representing the school.

Even with all their other duties, their doors are always open to anyone who wants advice or help. These men and women are constantly working toward a well organized and progressive campus.

Always willing and able, Pioneer's counseling staff is never too busy solving such problems as discipline, class adjustments, and testing programs to lend a friendly ear to a troubled or bewildered student. No problem is too big or too small to merit the counselors' consideration, and nearly every Titan finds himself beating a path to their doors sometime during the four years he spends at Pioneer.

# Special Services Keep Campus Functioning Smoothly

Special services are those "little jobs" that help keep our Pioneer campus running smoothly.

Mr. Eddy, curriculum coordinator, works with department heads, teachers and students in developing courses of study. He also coordinates period substitutes and organizes the audio-visual program. This year, as in the past, Mr. Eddy did an outstanding job of supervising and planning Back-to-School night.

Mr. Low is the assistant coordinator of activities. He works with the Business and Activities Office in running the physical aspects of Pioneer. Among his various duties are the jobs of seeing to it that all general repairs are made, also the moving and repairing of school equipment, and coordinating custodial work.

Mr. Hazard, our librarian, does an excellent job of keeping our Pioneer library in good order. He keeps it running smoothly and efficiently throughout the school year.

Mrs. Whitman, our school nurse, is always there to lend a hand when an illness is keeping a Titan from doing his best. She is also the coordinator of the Red Cross Council, a student organization active in charity. She is co-advisor of the Medical Careers Club. Mrs. Whitman has had much influence on students inclined toward a career in medical activities and its related fields.

We owe much to these dedicated people. It is their special services that keep our Pioneer campus functioning with the efficiency we have all become accustomed to.

# Pioneer Teachers Club Keeps Pace

Seated: Mr. Montes, Mrs. Papageorge, Mrs. Morris, Mr. Thompson. Standing: Mr. Canfield, Mr. Pratt, Mr. Riggins.

This year, Teachers Club continued to raise teaching efficiency, to maintain and improve standards of professional preparation and conduct, and to discuss the many problems which arise in the profession. Their tremendous ability to cope with the problems at hand made this year at Pioneer a great one for the students as well as teachers. Their hard work proved successful as did the constant effort to help Pioneer keep the pace higher than ever.

# PTA Works for Students of Pioneer

Seated: Mrs. Ploeger, Mrs. Wilson, Mrs. C. Williams, Mrs. Westbrook. Standing: Mrs. Steiner, Mrs. LeMay, Mr. Braden, Mrs. Ralston, Mrs. K. Williams. The P.T.A. is a voluntary organization made up of parents and teachers. During the year they raise money for scholarships, chaperone at dances and the "All night party." They form a link between parents and school activities.

# Classified Personnel Serves Many Departments

Manifold duties are performed throughout the year by members of the classified staff. Individual scheduling of classes is done after students have arranged their schedules in the Spring. It continues throughout the year as changes and adjustments are made for each individual student.

All student's records are kept up to date during their high school years and used for their permanent records.

Daily attendance records are compiled for each student by the secretaries in the Attendance Office.

The audio-visual clerk schedules films, filmstrips, record players, and tape recorders for the faculty of Pioneer.

# Swan Song

Through the years, memories fade and events that have happened in the past are forgotten. This year, a group of students have done their best to keep the high school memories of the student body of Pioneer unforgettable. How have they done this? By putting as many of the events as possible, of the school year 1965-66, in one book called THE TORCH. Who are these students? They are the annual staff of Pioneer High School.

I would especially like to thank my fellow staff members. They worked hard to solve the many problems that came up during the year and through their efforts, I believe, they have helped to put together a fine book of which we can all be proud.

I would like to give a special thank you to Mrs. Thompson who was the mainstay of the staff. She did a wonderful job and the entire staff agrees that her help was priceless.

We are deeply appreciative to our faculty and administrators for their patience with us, and their assistance during these past months.

Without the help and co-operation of these people, and many others, the annual could never have gone to press. This annual is made up through the efforts of many people working together so that in the years to come you may look back and relive the years of your high school days through the pages of this book.
